FINAL TERMINATION NOTICE NON-RESIDENTIAL RIGHTS

ACT NOW TO AVOID A SERVICE TURN-OFF!

Your payment is overdue. Your utility service will be turned off if we do not receive your payment by the due date of this notice. Please pay the overdue amount immediately. Pay by telephone using your checking account at 1-888-925-5016. If you cannot pay the amount in full or have a question about your account, call 1-877-262-6633 24 hours a day and we can explain how you can avoid a shutoff.

IMPORTANT INFORMATION ABOUT YOUR RIGHTS AND OBLIGATIONS

Dishonored Checks: If, in the past 24 months, you have made a payment by check that was dishonored by your bank, we may require you to pay by cash, certified check or money order to avoid the loss of your service. Provided there was only one dishonored check in this period, you will then be permitted to resume making check payments. However, if a subsequent check is dishonored, you will be charged a \$12.00 penalty and may be subject to the immediate loss of your service. We will also prohibit check payments on your account for a period of six months.

Collection Charge: You will be charged \$29.00 if we have to send a collector to your premises. You will be charged \$271.00 if we disconnect service at the pole or manhole. All collection charges are subject to applicable sales tax.

Reconnection of Service: If your service is turned off for nonpayment and you have paid or made arrangements with us to pay the overdue bills and/or requested deposit, there will be an additional charge for reconnecting service. You can pay these charges immediately or they can be included in the payment plan arranged for service reconnection. A charge of **\$26.00** will be applied to reconnect Monday through Friday, 8 a.m. to 4 p.m., except holidays. A charge of **\$28.00** will be applied to reconnect at any other time. **If service is reconnected at the pole or manhole, there will be a charge of \$114.00. All reconnection charges are subject to applicable sales taxes.** Service restoration may take up to 24 hours after you have made payment arrangements.

Bring this notice to our attention when paying this bill.

Deferred Payment Agreement: If you are unable to pay the overdue bills and/or required deposit in full, you may be eligible for a payment agreement to pay the balance in installments.

You are ineligible for a deferred payment agreement if any of the following apply:

- you owe any amounts under a prior deferred payment agreement
- you failed to make timely payments under a prior deferred agreement in effect during the previous 12 months
- you are a publicly held company, or a subsidiary thereof
- you are a seasonal, short-term, or temporary customer
- you are an electric customer who, during the previous 12 months, had a combined average monthly billed demand on all your accounts in excess of 20 kW or registered any single demand on any account in excess of 40 kW
- you are a gas customer who during the previous 12 months had a combined total consumption for all your accounts in excess of 4,000 therms
- we can demonstrate that you have the resources to pay the bill

If you are eligible, you will need to make a down payment of 30% of what you owe or the cost of twice your average monthly bill, whichever is greater, plus the full amount of any charges billed after the issuance of the termination notice which are in arrears at the time the agreement is entered into. However, if we have to send a collector to your premises, you will be required to make a down payment of up to 50% of the arrears or four times your average monthly usage, whichever is greater, plus the amount of any charges billed after the issuance of the termination notice which are in arrears at the time the agreement is entered into. The balance can be paid in installments equal to your average monthly bill or one-sixth of the balance. If a security deposit is requested, you will be permitted to pay this deposit in three installments: 50% down and two monthly payments of the balance. In addition, you must pay your current bills promptly.

Deposit Information: If you are required to pay a security deposit, the deposit amount will not exceed the cost of twice your expected monthly usage, unless your usage varies widely. In that case, the deposit will not exceed the cost of twice your average monthly usage for the peak season. The deposit may later be revised upward or downward based on actual subsequent billing. You may ask us to review your account in order to assure that the deposit is not excessive. Deposit alternatives which provide a level of security equivalent to cash, such as irrevocable bank letters of credit and surety bonds, may be accepted. Deposits earn interest at a rate determined by the PSC. Interest is credited annually and when a final bill is prepared. The deposit will be refunded after three years as long as all payments have been made on time.

Billing Disputes: If you believe your bill is wrong, please call us immediately at 1-800-75-CONED (1-800-752-6633). We will not turn off your service while we investigate your bill as long as you pay the amount not in dispute. If you have a question about your account and are not satisfied with our answer, ask for a supervisor. If you disagree with our findings you can reach the PSC at www.dps.ny.gov/complaints or on their toll-free line at 1-800-342-3377 for assistance. You may also write them at Public Service Commission, 90 Church Street - 4th Floor New York, NY 10007-2919.
