#### Demand Feature

Your loan

 does not have a demand feature.

#### Late Payment

If your payment is more than 15 days late, your lender will charge a late fee of 5% of the monthly principal and interest payment.

#### Negative Amortization (Increase in Loan Amount)

Under your loan terms, you

are scheduled to make monthly payments that do not pay all of the interest due that month. As a result, your loan amount will increase (negatively amortize), and your loan amount will likely become larger than your original loan amount. Increases in your loan amount lower the equity you have in this property.  
 may have monthly payments that do not pay all of the interest due that month. If you do, your loan amount will increase (negatively amortize), and, as a result, your loan amount may become larger than your original loan amount. Increases in your loan amount lower the equity you have in this property.  
 do not have a negative amortization feature.

#### Partial Payments

Your lender

may accept payments that are less than the full amount due (partial payments) and apply them to your loan.  
 may hold them in a separate account until you pay the rest of the payment, and then apply the full payment to your loan.

If this loan is sold, your new lender may have a different policy.

#### Security Interest

You are granting a security interest in

You may lose this property if you do not make your payments or satisfy other obligations for this loan.

#### Escrow Account

For now, your loan

will have an escrow account (also called an "impound" or "trust" account) to pay the property costs listed below. Without an escrow account, you would pay them directly, possibly in one or two large payments a year. Your lender may be liable for penalties and interest for failing to make a payment.

Monthly Escrow Payment	\$352.83	The amount included in your total monthly payment.

will not have an escrow account because  you declined it  your lender does not offer one. You must directly pay your property costs, such as taxes and homeowner's insurance. Contact your lender to ask if your loan can have an escrow account.

No Escrow

Escrow Waiver Fee		

#### In the future,

Your property costs may change and, as a result, your escrow payment may change. You may be able to cancel your escrow account, but if you do, you must pay your property costs directly. If you fail to pay your property taxes, your state or local government may (1) impose fines and penalties or (2) place a tax lien on this property. If you fail to pay any of your property costs, your lender may (1) add the amounts to your loan balance, (2) add an escrow account to your loan, or (3) require you to pay for property insurance that the lender buys on your behalf, which likely would cost more and provide fewer benefits than what you could buy on your own.
