- We're Freezing Base Rates Through 2028, Giving You Predictability and Stability with Your Bill

This means the rate you pay for electricity under your selected rate plan will stay the same for the next three years, exclusive of fuel and storm related costs. We're committed to keeping energy affordable for all customers, so you can have peace of mind and budget with confidence. Learn more at georgiapower.com/ratefreeze.
- Take Charge of Your Energy Use

Sign up for My Power Usage Alerts to get timely updates on how much energy you use. It's a simple way to avoid surprises on your bill and stay informed. Visit georgiapower.com/usage to enroll.
- Community Solar

With our Community Solar program, you can enjoy similar clean energy benefits to customers who own their own solar panels. By signing-up, you will be supporting the development of solar power in the state and economic growth through the production of local solar farms. Let's expand clean energy in Georgia, together. Visit georgiapower.com/communitysolar for more info.

Cash or In Person**Mail*****Holidays may impact payment posting***Visit georgiapower.com/paymentoptions for a complete menu of available options.**Consumer Check Conversion** - When you pay your bill by check, you authorize us to make a one-time electronic debit from your banking account.**Do we have your correct primary phone number and email?**

Why? When you call to report a power outage, our automated systems identify your address by your phone number. We may occasionally want to contact you via email with important information.

If your phone number or email address has changed, please update our records in the box below and mark the box on the front of the stub if you have entered a correction.
